

object

```
graph BT; A[codar.cheetah.parameters.Sweep] --> B[object]
```

A diagram illustrating a reference. A light gray box at the top contains the word "object". A dark gray box at the bottom contains the text "codar.cheetah.parameters.Sweep". A blue arrow points from the top of the dark gray box to the bottom of the light gray box, indicating that the module variable points to the object.

codar.cheetah.parameters.
Sweep
